

RIFTBRAWL

3V3V3V3 TEAM BRAWL SHOWCASE FOR RIFTBOUND

Disguised · The Secret Sauce · Ascension · Challenger TCG · live with commentary

EVENT & PRIZE-SUPPORT PROPOSAL

TURN'EM SIDEWAYS × ANZIDMTG · SEPTEMBER 2026

WHAT IS RIFTBRAWL?

A team-format invitational built for broadcast, not a Swiss grind.

FOUR TEAMS OF THREE

Disguised, The Secret Sauce, Ascension and Challenger TCG in a 3v3v3v3 team brawl. Flexes to 16 with an alternate per team.

ROUND ROBIN

Every team plays every team. Short, high-stakes rounds keep the desk busy and the bracket easy to follow on stream.

PRODUCED SHOWCASE

Camera-ready feature table, a two-person commentary desk, overlays and player intros. Built to be watched.

TWO CHANNELS, ONE BROADCAST

Live on [twitch.tv/turnemsideways](https://www.twitch.tv/turnemsideways) and [twitch.tv/anzidmtg](https://www.twitch.tv/anzidmtg), with match VODs and highlights on YouTube.

FORMAT AT A GLANCE

PLAYERS 12–16 (4 teams × 3, plus alternates)

STRUCTURE 3v3v3v3 team brawl, round robin

RUN TIME One evening block (Friday)

TABLE NEED One feature table + staging

PRIZING Prize Wall tickets to the winning team

THE TEAMS

Format is deliberately compact: four teams, round robin, one evening. It fits a Friday slot before the main event without competing with the Regional Qualifier itself.

TWO WAYS TO RUN IT — IDEALLY BOTH

Pick the path that fits the venue. Either way we produce and stream it.

OPTION A — OFFICIAL FRIDAY SHOWCASE

Inside the RQ venue, on the event schedule

- Friday evening slot with a full commentary desk
- Feature table in the hall, produced like a top cut
- Prize Wall tickets funded by organized play
- Cross-promoted with the official broadcast and socials
- Sets up Saturday's co-stream audience

OPTION B — UNOFFICIAL AT THE LOCALS

Partner game store near the venue

- Runs Thursday or Friday night at a local game store
- Store provides prize support (packs, boxes, promos)
- We bring cameras, desk, overlays and the stream
- Drives foot traffic and signups to the store
- Zero schedule conflict with the main event

BOTH

Hotel, flight voucher and meals for the production crew make either option viable at any stop on the calendar.

Option A is the preferred path. Option B is the fallback with a partner LGS. Best case is both: an official showcase plus a locals night.

WHAT WE'RE ASKING FOR

Small, specific, and mostly things the event already has on hand. Everything else, we bring.

40

PRIZE WALL TICKETS

Prizing for the winning team. Forty tickets is one Plated Legend at the wall, or split as packs across the podium.

THU

TABLE SPACE IN THE HALL

One feature table plus staging in the venue hall to set up, light and record. No stage, no AV from the venue.

FRI

A SHOWCASE SLOT

An evening window to run the round robin live with commentary.

HOTEL

ACCOMMODATIONS

Rooms for the production crew across the event nights.

FLIGHT

TRAVEL VOUCHER

Travel to the host city for the crew, so each stop is a yes.

MEALS

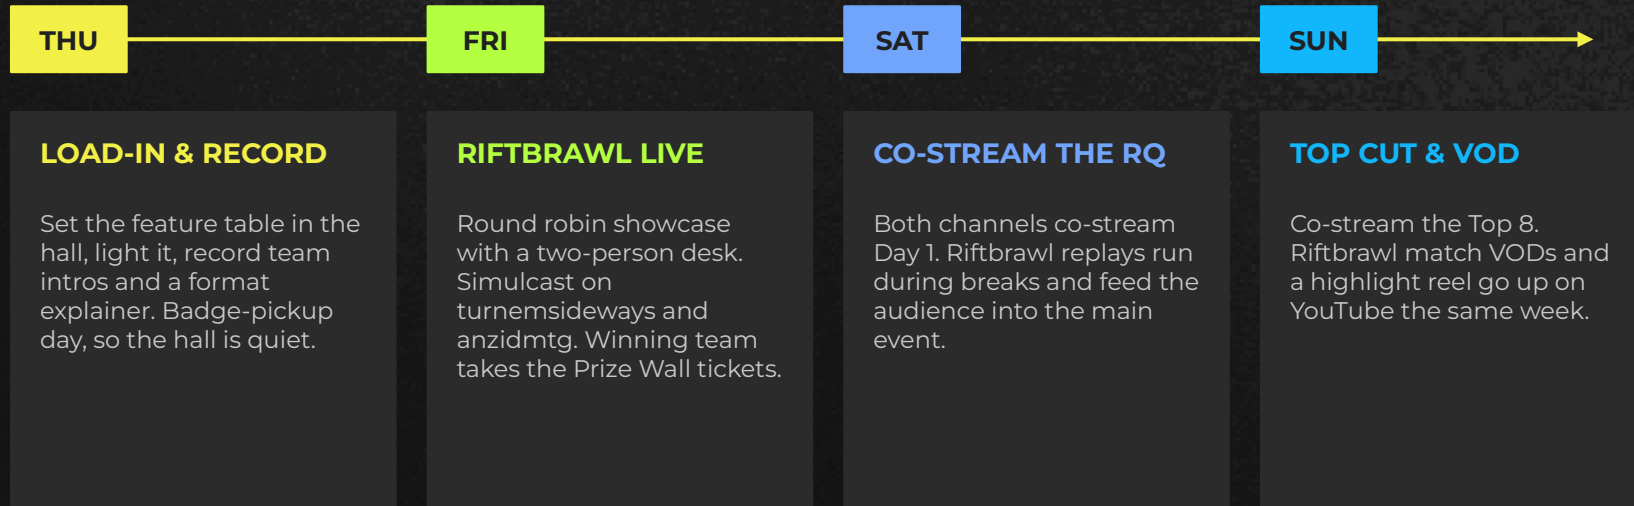

ON PRODUCTION DAYS

Crew meals on Thursday and Friday.

Prize Wall rate reference: 40 tickets = one Plated Legend (metal card); 1 ticket = one booster, per Riftbound Regional Qualifier prize-wall listings.

EVENT WEEKEND — HOW IT RUNS

We only need table space Thursday and a Friday window. Nothing touches the main event days.

WE BRING Cameras, switcher, overlays, commentary desk and talent, stream infrastructure, and the four invited teams.

Thursday is a quiet setup day. Friday is the showcase. Saturday and Sunday we co-stream the main event as usual, where Riftbrawl replays keep working for the organizer.

NEXT STOP — AND WHAT HAPPENS NEXT

Two windows on the calendar fit a Thursday setup and a Friday showcase.

RQ LOS ANGELES

Sept 25–27, 2026 · Los Angeles Convention Center, West Hall A

Thursday Sept 24 setup · Friday Sept 25 showcase

NA REGIONAL CHAMPIONSHIP

Dec 11–13, 2026 · Convergence Fest, Las Vegas

Top 64 qualified players in the building · Thursday Dec 10 setup

TO LOCK IT IN

01

Confirm the stop and the Friday window

02

Approve 40 Prize Wall tickets (or LCS prize support)

03

Confirm hotel, flight voucher and meals

04

Assign Thursday table space in the hall

05

Confirm the teams: Disguised, The Secret Sauce, Ascension, Challenger TCG

Both windows are UVS/Riot organized-play weekends with a Friday start, which leaves Thursday for load-in and recording.
